

LAGOON VISITED BY SCANDINAVIANS

Attendance Was Record-Breaker for the Present Season.

FLOCKED TO THE RESORT FROM ALL OVER STATE

Day Most Enjoyably Passed With Sports and Other Amusements.

Scandinavian day was observed at the Lagoon yesterday by the largest and jolliest crowd of any that has attended the pretty resort this season. Swedes, Danes and Norwegians were included in the list, and they came from all over the State in numbers, which taken together, has not been equaled at the resort before this season. They were all out for a jolly good time and a good time it was, the characteristic of the day. The crowds came not only from Salt Lake, but also from Ogden, Brigham City, Murray, Sandy, Park City, Eureka, and all intermediate points. The number of people was estimated at 1500, and the total number at the resort was about 4500, which not only exceeded the number that attended the affair last year, but also exceeds the number which has been at the resort on any other occasion this season.

Goes Like Clockwork.

All during the day everything was carried out in a fashion highly creditable. The programme was of the Scandinavian sort all the way through, including old-fashioned Swedish, Danish and Norwegian sports, dances, speeches, songs and music. The crowd for the most part used only their native tongue, and when someone was addressing the whole through the languages of the three nations, which are somewhat alike, were mixed together so that all were able to understand. The programme began at 1 o'clock, at which time the May-pole, which is always a characteristic of Swedish doings, was raised. The pole was thirty feet high and was covered with green ferns, with big red roses at intervals all the way down. About half-way down a cross-piece bore the flags of the three Scandinavian countries and a large United States flag.

Danced Around Pole.

The pole was erected while the people danced in a circle around it. At 2:45 the second train of the day arrived on the scene and brought about 1000 more people. At 3 o'clock and exactly on schedule time the sports began. The consisted of all kinds of foot races for all kinds of people and the prizes for the winners of first places were hotly contested for by many.

The results of these follow:

Race for girls under 8 years—Ester Johnson.

Girls between 8 and 10—Anna Forslund.

Girls between 10 and 15—Anna Larsson.

Young ladies between 15 and 25—Ester Johnson.

Ladies between 25 and 40—Mrs. C. I. Keller.

Ladies between 40 and 60—Katherine Jorgensen.

Ladies over 60—Emma Lindberg.

Boys under 8 years—Jerome Salt.

Boys between 8 and 10—Walter Smith.

Boys between 10 and 15—Halden Johnson.

Boys between 15 and 25—F. Manderstrom.

Men 25 to 40—Carl Samuelson.

Men 40 to 60—E. T. Forsberg.

Men over 60—L. F. Halling.

A number of boat races were also rowed.

At 5 o'clock came the genuine part of the Scandinavian celebration. This was a big carnival in which about sixty of the young Scandinavian men and women took part. All were togged out in the fancy costumes of their native countries. The Swedes wore the "Dad-dragter" dress, which consists of a blue skirt, a Goddess of Liberty cap, white waist with green bands, and an apron of the Swedish national colors, blue, red and yellow.

The Danes wore the "Lap-dragter" costume, which consists of four flags fixed together so that the white cross pieces came both on the front and back of the body. All of these formed in line and paraded around the grounds and finally wound up at the May-pole, where a number of Scandinavian antics were gone through with. A large number of the old national games were played, and the spectacle was certainly a pleasing one.

In the evening at 6 o'clock the programme of speeches, recitations and songs was held. All gathered in the roller skating rink and for over an hour and a half enjoyed something very fine in the line of a Scandinavian programme. Music was furnished by the Lagoon orchestra as a starter and then the Scandinavian choir of the Salt Lake state under the leadership of John F. Peterson, gave a Swedish selection.

A speech of welcome was delivered by Judge C. M. Nelson and a very humorous Swedish recitation by John A. Carlson.

Others who favored the enthusiastic audience with music were: Hagbar Anderson, the Brigham City Scandinavian choir, the Liberty State choir, the Ensign State choir and Theodore Volstead. Mr. A. C. Krantz and Miss Sophia Valentine recited some original poems.

The final number on the programme was the singing of "America" by the combined choir and the audience. All joined in this and made the air thrill from the first word to the last.

The time from 8 o'clock until 11:30 was given over to a jolly time by all. Some sat around and enjoyed hearing their native language and taking in the numerous attractions of the resort, but the majority took to dancing. It was a typical Scandinavian day and one which was enjoyable to everybody. It was one of the kind where a congenial spirit prevails.

The committee which had charge of the arranging of the affair was: John Lawrence, H. P. Nelson, C. M. Nelson, Hugo Peterson, C. H. Erickson, John Kjarting, Charles Forsberg, Axel Rikstad and C. J. Gydenswan.

How to Fool a Lazy Liver with Artificial Exercise

EVERY serious Sickness has a small beginning. And, in nine cases out of ten that small beginning is made in the Bowels.

Indigestion is the beginning of most diseases.

It paves the way for all others.

Lack of exercise, hasty eating, improper food, are its first causes.

Laziness, and postponement, permits it to grow into Chronic Constipation, which means life-long Discomfort.

It isn't necessary to be sick-a-bed, you know, in order to be mighty uncomfortable.

Even slight indigestion affects the nerves, dulls the mind, and obscures the merry sunshine of life.

And, indigestion once started, grows fast, corrodes temperament, and discounts happiness, good cheer, capacity.

It does that long before it puts you on the Sick list.

Every thinking Doctor knows why.

Professor Rand knew it.

That's why he framed up for students his famous formula for Happiness, viz.: "Trust in God, and keep your Bowels open."

The Bowels need adjustment from time to time, just like a clock, or a watch.

No "Good time" is humanly possible without this.

And, the time to adjust the watch is not when it has run down, nor when the main spring is broken, but at the very minute adjustment is discovered necessary.

The time to adjust the Bowels is not merely when your Head Aches, when your Liver is Sick, your Stomach in Revolt, and Nature's Food Process retarded for 24 hours or longer.

The proper time to adjust them is the very minute you suspect they need adjustment.

PROVO CITY COUNCIL SUED FOR DAMAGES

A. F. Acord Was Thrown Out of Meeting, and Brings Action.

Special to The Tribune.

PROVO, June 23.—A. F. Acord has begun suit in the District court against all members of the Provo City Council, jointly and severally, and the City Marshal of Provo, alleging in his complaint that he was, on June 18, 1906, wrongfully and unlawfully thrown out of the Council chambers. Plaintiff asks for \$50 damages.

This suit is the outgrowth of the Provo Council's frequent secret sessions. At the last meeting all spectators were ordered from the room and Acord refused to leave and was ejected by the Marshal.

GREEK LABORER KILLED.

Struck by Engine in R. G. W. Yards at Murray.

Special to The Tribune.

MURRAY, June 23.—Sprees Chukias, a Greek section hand, employed by the Rio Grande Western railway, was struck and instantly killed in the Murray yards Saturday morning by a switch engine. The unfortunate man was working with a gang of laborers repairing a yard track and was hit by the engine while intently watching a freight train pulling out to the north. The whistle of the engine was blown and his fellow workmen tried to get him from track, but before he could be done the engine swept down on him and mutilated his body beyond recognition. A great deal of noise around the place where he was standing is thought to be the cause of his falling to hear the warning whistle of the engine and the shouts of the other workmen.

A coroner's jury was called and after viewing the remains and hearing testimony passed a verdict that the Greek came to his death through accident and exonerated the railway company, blaming the Greek because of negligence.

The dead man has a family living in the old country, but so far as known has no relatives here except a son, who lives in Chicago.

VOTING ON INCREASE

Miners at Bingham Are Expressing Themselves on Matter.

Special to The Tribune.

BINGHAM, June 23.—The final vote of all the miners of Bingham for an increase of wages was voted on tonight by the local order of the Western Federation. The votes will come out in the morning. If the majority of the votes cast are in favor of an increase and are forwarded to the headquarters in Denver and passed on by the executive board, the four final demands will be made to the mine-owners here.

To Foreclose Lien.

The Bingham Coal and Lumber company has filed a suit in the Third District court against H. Owen to foreclose a mechanic's lien in the sum of \$285.39.

GOLF TOURNAMENT FULL OF SURPRISES

Trans-Mississippi Championship Won by Jaffray, a Dark Horse.

OMAHA, June 23.—The sixth annual tournament of the Trans-Mississippi Golf association closed this afternoon with the playing of the finals in the championship and other contests. Jaffray of Minneapolis was declared the winner, 5 up and 4 to play, defeating T. W. McCartney of Denver.

The championship match play was full of surprises from the very first. Men who had made such records as to entitle them to first consideration fell early in the game before men whose former work had not been in the championship class at all. Nevertheless the men who stayed till the last did so by superior play and there are none to question their right to their titles.

Jaffray Played Championship Golf.

C. T. Jaffray of Minneapolis, winner of the Championship cup, although regarded as a dark horse at the opening of the tournament, played winning golf through the four days and wound up with a brilliant spurt that left no doubt of his title to the championship. His score for the last round was 4 up on bogey and the best play of the week.

Final Match Close.

The final of 36 holes was played between Mr. Jaffray and T. W. McCartney of Denver. The latter, though not formerly supposed to be in the championship class, played a steady game throughout the tournament, and was thought to have a good advantage in today's game. The start served to justify this opinion, for when the hole was played he was 3 up on his opponent. From that time, however, the Minneapolis man began to show his qualities. At the end of 18 holes play McCartney was only 1 up. In the afternoon Jaffray gained steadily, taking the third, fifth, ninth, eleventh, twelfth and fourteenth holes, at which time he was declared the winner.

Scores for the Day.

The scores for the day were as follows:

Jaffray—Morning play:
Out 4 6 7 4 5 5 4 4 5
In 4 4 6 6 4 5 5 5 5—88

Afternoon:
Out 4 6 5 4 4 4 4 4 4
In 3 3 5 4 3 5—99—147

McCartney—Morning play:
Out 5 6 6 4 5 4 5 5 5
In 4 5 6 5 5 4 4 5 4—87

Afternoon:
Out 4 6 6 4 5 4 4 4 5
In 3 4 6 4 4 4 5—152

The finals for prizes offered for players who failed to qualify for the championship contest resulted as follows:
M. Doran, Jr., St. Paul, beat Guy D. Thomas, Omaha, 2 to 1 to play.
Dorchester cup—F. Haynes, Omaha, beat W. D. Bancker, Omaha, 4 to 3 to play.

Secretary's cup—A. L. Reed, Omaha, beat R. E. Hawkins, Minneapolis, 3 up and 2 to play.

BOYS' DAY AT LAGOON.

Event Is Billed for Thursday and Will Be Hummer.

Next Thursday, June 28, will be the Boys' day at Lagoon and one of the largest crowds of the season will be there. The event of the day will be the first annual Sunday school athletic meet of the Salt Lake Sunday schools, in which there are nearly 150 entries. Every church and Sunday school in Salt Lake will be represented and will make the day a get-together day.

The athletic events will be very fast, as some of the fastest runners of the high school are represented, besides many who do not attend school. For these medals, fobs and ribbons will be given as prizes. A handsome silk banner will be given the winning school for permanent possession.

DOUBLE VICTORY FOR ITHACANS

Cornell Takes 'Varsity Fours and Eight in Annual Regatta at Poughkeepsie.

SYRACUSE FRESHMEN WIN EIGHT-OAR EVENT

Twenty Thousand Spectators Who Gathered to See Races Are Drenched.

POUGHKEEPSIE, N. Y., June 23.—Cornell again won the honors in the annual regatta of the Intercollegiate Rowing association, held here today, over the four-mile course on the Hudson river. The red and white crews were first in the 'Varsity eight—the open intercollegiate championship of the year—and the 'Varsity fours. Syracuse won the eight-oared event for freshmen crews, Cornell being second.

The races were decided between thunderstorms, a particularly heavy one occurring just before the 'Varsity eight race. At the starting the shells of several of the crews were so filled with water that it was necessary to have them pumped out, and this delayed the sendaway until 5:19 o'clock.

Cornell Wins by Two Lengths.

Exactly 19 minutes 36 1/2 seconds later the sturdy Cornell crew raced by the judges' boat a winner by nearly two lengths. It was a most howling stroke for stroke the crews of Pennsylvania and Syracuse were fighting it out for second position. It was the prettiest struggle seen here for years and almost in the last sweep of the oars Pennsylvania forged a few feet ahead. Syracuse was ten lengths in front of Wisconsin, with Columbia four lengths further back and Georgetown bringing up the rear.

Between Cornell, Syracuse and Pennsylvania the race was stiff throughout. After two of the four miles of the course had been covered Syracuse spurred to almost even terms with Cornell. Doggedly they tried to hold level with the Ithacans, and it was this early struggle that caused them to fall just at the last moment when Pennsylvania challenged.

Results in Other Contests.

In the four-oared race, won by Cornell, Syracuse was second, Columbia third and Pennsylvania fourth. In the freshmen race, Syracuse was followed across the line by Cornell, Wisconsin, Columbia and Pennsylvania. Again in the latter contest the fight for second place was the real struggle of the race. Wisconsin came within an ace of nipping Cornell in the last few yards.

The downpour of rain which preceded the varsity race drenched the 20,000 persons gathered on the shores of the river and on the observation train. But the sun shone as the crews lined up for the start.

The first race of the afternoon was for varsity four-oared shells at two miles. It was simply a question as to the distance by which the Ithacans would win. They crossed the line with five lengths to spare. Syracuse was three lengths before Columbia, which in turn was four lengths in front of Pennsylvania.

Syracuse Freshmen Win.

The second race was for freshmen eights. It was won by Syracuse by a length and a half from Cornell, the latter being less than a quarter of a boat's length in front of Wisconsin, Columbia and Pennsylvania, which finished fourth and fifth, were not more than six lengths behind the winners.

The great four-mile race for the varsity eight aroused wonderful enthusiasm. Columbia, Syracuse and Wisconsin were first away with the others lagged by only a few feet. When a half mile had been rowed Syracuse was showing a good length in the lead, with Columbia second, Wisconsin third, Cornell fourth, Pennsylvania fifth and Georgetown sixth. Soon after this the Georgetown boat spurred into fourth place, but fell away again quickly and was never again a factor. Columbia and Wisconsin found the pace too fast at the end of a mile. Cornell swept into the lead at the mile and a half mark. Pennsylvania had raced up to second place and Syracuse was third. Then came a magnificent spurt by the Syracuse men. They rapidly overhauled Pennsylvania and closed the gap of nearly two lengths which had separated them from Cornell. The latter crew was rowing at 32, while Syracuse went to 36.

Men Collapse After Race.

When the orange boat pushed alongside the red and white shell the coxswain in the latter called for a spurt and the Cornell boat slipped ahead. Lead again. Time after time, with brilliant bursts of speed, Syracuse struggled to overhaul the leaders and it was not until the last mile of the journey that Cornell could show clear water. Then Syracuse had shot her bolt, and the Pennsylvania crew, pulling with grim determination, snatched away the honor of second place by inches.

The race was so hard that several of the men collapsed. They were quickly revived, however, and their crew was able to row to its boat-house.

Varsity fours, two miles, for the Kennedy challenge trophy: Cornell won. Time—9:51 3/4. Syracuse second. Time—9:53. Wisconsin third. Time—9:55 1/2. Columbia fourth. Time—10:07 1/2. Pennsylvania fifth. Time—10:13 1/2.

University eight-oared shells, four miles, for the Varsity challenge cup: Cornell won. Time—19:36 1/2. Pennsylvania second. Time—19:45 1/2. Syracuse fourth. Time—20:13 1/2. Columbia fifth. Time—20:15 1/2. Georgetown sixth. Time—20:36.

Members of winning crew: W. S. Newman, bow; R. C. Barton, 2; W. Stowell, 3; J. A. Dodds, 4; L. A. Gavett, 5; C. P. Cox, 6; W. L. Lee, 7; E. T. Foote, stroke.
